

Noble Milambo Chikwasha

I am a recent Computer Science graduate with a passion for web development. My expertise lies in Front-End frameworks like React JS, HTML, CSS, and JavaScript. I have a strong aptitude for rapidly mastering new technologies, including emerging areas like machine learning. I am committed to continuous growth and staying abreast of industry trends. With a goal-oriented mindset and dedication to delivering high-quality results, I thrive in collaborative environments. My strong interpersonal skills make me a valuable team player. I am eager to leverage my skills, passion, and dedication to contribute to the development of innovative web and mobile applications.

TO WHOM IT MAY CONCERN

This is to certify that **Mr. Noble Chikwasha of Register Number: 20211351035** is a bonafide student of DMI – St. Eugene University, Chibombo, Zambia. He was pursuing a Bachelor Science in Computer Science Degree programme which he successfully completed in December, 2023 and is now waiting for graduation.

His code of conduct is good and he is a well-disciplined student. He also accomplishes his academic tasks in a satisfactory manner and participates immensely in all the academic activities. I therefore strongly recommend him for a suitable employment within your organization.

Any assistance rendered to him will be highly appreciated.

Mr Lovely Chizimba

Dean (Academic)
